Greetings from SKIFI

My dear SKI Family, Oss...

My heart beats fast, fatigue is eating my body..however my enthusiasm and excitements overcome all the negativities.

As we are coming to the final preparations and every little detail need attention, we are aware of how much more to be done in so little time. Tense, frustrations, angers are our daily lunches, but all are covered by common goal : TO MAKE THE 12TH SKIF WORLD CHAMPIONSHIP THE BEST CHAMPIONSHIP; a championship that you can talk about to your children, grand children and great grandchildren.

There will be a Hospitality Desk after the immigration at the airport to help guide you. Those who booked the hotel with the Organizing Committee will be met before the immigration, thus you do not need to line up (VIP Treatment).

Some of you have arrived in Jakarta safely, many will take a long flight to arrive in Jakarta, soon. I wish you all a very pleasant and safe journey. My team and I are looking forward to seeing you soon.

President & Chief Instructor

The 12th SKIF Event at the Sultan

This newly erect tent is build just for The 12th SKIF Karate World Championship. It can accommodate 5000 people standing and will be used for all SKIF activities at The Sultan hotel.

PREPARATION HIGHLIGHTS

The Organizing Committee are working until the wee hours nightly preparing every details to make sure all events are perfect and to the highest standard.

Many meetings involved officers from the immigration office, police, army, Governor's office, as well as Secretary of State office.

For most of us this is the first Karate World Championship event, we have ever participated. Only few have experienced the Bali event.

In the midst of high stress and high intensity trainings, visits from SKI Family from abroad is always a nice break.

Thanks Russian and Canadian team to visit us !!!

To promote The 12th SKIF Karate World Championship, SKIFI did a fun walk on early Sunday morning, while we have long banners to promote the event. The walk was followed by kata and jiyu ippon demonstration in front of thousands of the citizens of Jakarta.

MNC TV Teams covered the event for publications.
